**2024 Form 1040 Tax Organizer**

We continue to revise our tax organizer in response to suggestions made by our clients and to address changes to the tax laws.

**To prepare your tax returns, we request that you send us the following four items. The first 3 items can be found on our website ([www.keysolutions.us](http://www.keysolutions.us)) using the Forms menu option:**

1. Completed Tax Organizer – send only the pages for which you have input
2. Signed and dated Letter of Understanding
3. Signed and dated Consent to Use Form
4. Your 2024 tax documents. Remember that we do NOT retain ANY tax documents that you send us. **ALL** your tax documents are returned to you.

We look forward to working with you again this year. Please call us if you have any questions.

Bryan Haarlander, EA, CTRS

## THE PROCESS

When preparing your returns, our primary objectives are to make sure that you (1) pay the lowest income taxes allowed by law, (2) minimize the likelihood of the IRS selecting your return for audit, (3) identify tax savings opportunities, and (4) keep our fees to a minimum.

You can minimize our fees by carefully following our instructions. It is very important that you read the instructions included herein. When completing the tax organizer, please **READ THE NOTES** on the organizer pages and only send us the pages that you have completed. Do not send us blank organizer pages. Failure to read the notes and follow the instructions could result in you losing a valuable tax deduction or increasing your odds of being audited by the IRS . . . two very undesirable results.

Understanding the Tax Preparation Process: Here are some important dates and considerations for us to help manage your expectations:

When to send us your tax information : The simple answer is ASAP !!! We request that you have all your tax information to us **by March 15**, and all open items addressed by **March 30** for us to **guarantee** an on-time filing (we routinely receive documentation well into April and still complete the tax returns on time - we just can't promise it.)

Turn-around Time: We normally begin preparing your return within **6-9** days after receiving all your tax documents. The later we receive your tax documents the longer the turn-around time. After reviewing your tax information, we will email you with any questions we have. It is your responsibility to respond to those questions ASAP.

Draft Returns: Immediately after your return is prepared, we will send you a draft of your return for you to review, along with an invoice for our services.

E-File authorization forms: Once you have reviewed your draft return and remitted payment, we will send you the e-file authorization forms for you to sign, date, and return to us.

How to send us your tax information : We prefer that you mail, hand deliver, or upload to us all your tax documents at one time . If you have all your tax information except for a single item or two, please send us the information you have and include a note or send us an email about the missing information. This allows us to immediately begin to prepare your return.

If you choose to use the [SEND FILES](#) 256-bit encrypted file transfer system found on our website to send us your tax documents, we request that you send these as **ONE SINGLE PDF FILE** or send all of your documents in a zipped file. Please make sure your files are properly named for easy identification.

Creating a PDF file – most operating systems have a PDF printer already installed. If not, search the Internet for “free PDF printers” (we use Cute PDF ourselves). There is also a site called [www.pdfmerge.com](http://www.pdfmerge.com) which will merge most PDFs into one big PDF file – and it is free.

Due to the volume of tax returns we process during the tax filing season; it is not practical for us to send confirmations that we have received your tax documents. You can ask the post office for confirmation of delivery and track the package yourself.

If you recently experienced significant changes in your life and/or have a financial situation or tax event that you feel warrants a personal meeting with us, please call us at (610) 594-2601 to schedule an appointment.

#### **Housekeeping Items:**

- **Print legibly & Use Whole Dollars Only.** It is important that you diligently complete this organizer. If you don't understand something, don't ignore it. Instead, call us for an explanation. Your diligence will assist us in preparing a complete and accurate return for you to minimize your tax liabilities.
- If we need additional information from you or clarification, we will contact you by email. Be sure to check your email daily after sending us your tax information. It would be appreciated, to keep our fees to a minimum, if you responded to our emails for additional information when you have **ALL** the requested information rather than send separate responses for each question.
- If you received any **correspondence from a tax authority** during the past year, enclose a copy.
- Do **NOT** send us any voucher forms or estimated income tax voucher payments forms as we will generate these for you.

**Direct Deposit of Refunds or Direct Debit of Balance Due**

Do you want to have your tax payments due and/or your refunds directly debited or deposited into your checking account?

Yes	No
<input type="checkbox"/>	<input type="checkbox"/>

This is a nice feature as you do not have to worry about sending a check to a tax authority if a balance is due and will accelerate your receipt of any refund check. This is a particularly nice feature for those who find themselves filing at the very last minute or will be away on vacation.

If you wish to use this feature, attach a voided check from your **checking** account. We will automatically direct the tax jurisdiction to withdraw any balance due from your checking account **on the statutory due date of the return.**

**Local Return (Paper return that we prepare for you to mail to tax authority)**

Do you want KFS to prepare this return for you?

Yes	No
<input type="checkbox"/>	<input type="checkbox"/>

If you answered "yes", insert name of the school district in which you live \_\_\_\_\_

If you answered "yes", insert name of the county in which you live \_\_\_\_\_

NOTE: If you require more than one local return or a Philadelphia return, there will be an additional charge.

NOTE: If you do not have sufficient taxes withheld during the tax year, the local tax authorities likely require that you remit quarterly voucher payments. You need to check with your local tax collector.

**Copies of your Tax Returns**

Every client will be sent an electronic (pdf) copy of all tax returns prepared by us. These returns will be sent to you via our encrypted file transfer system. It is your responsibility to download these returns to your computer as our system automatically deletes all files after 60 days for security reasons. If you misplace your electronic copy and request that we make you another copy, there will be a \$50 charge to do so.

Do you want us to print out and send you paper copies of your tax returns for your files? There will be a \$65 additional charge if you check the "Yes" box. Don't forget that you can print your own paper return from the electronic copy you will be sent.

Yes	No
<input type="checkbox"/>	<input type="checkbox"/>

**Mailing/Pickup of Returns & Tax Documents**

Select one of the following options:

I wish to pick up my tax documents at KFS's office when my returns are completed. Do not mail my tax documents to me.

I hereby authorize KFS to mail my tax documents and returns to me using the USPS postal system and hold KFS harmless for doing so. If you do not select the first option, this is the default option.

## Due Diligence Questions

Complete this page if you are claiming a child as a dependent

Note: Due to taxpayers fraudulently claiming dependents, the IRS requires paid tax preparers to request additional information from our clients to ensure that they qualify for the Child Tax Credit, Educational Tax Credits, and Head of Household filing status.

The following questions are intended to meet the requirements of the law, which essentially affirm that your children reside with you and that you can provide documentation that the children claimed by you as a dependent are actually your children.

	Yes	No
1. Are the children you are claiming as dependents on this tax return actually your children?	<input type="checkbox"/>	<input type="checkbox"/>
2. Did all of your children reside with you for more than half of the calendar year (not counting temporary absences such as college and travel)?	<input type="checkbox"/>	<input type="checkbox"/>
3. If called upon to do so by the IRS, can you provide birth certificates for the children you are claiming as dependents?	<input type="checkbox"/>	<input type="checkbox"/>
4. If called upon to do so by the IRS, can you provide proof that your children resided with you by providing medical records or school records that show both the names of your children and your address on such records?	<input type="checkbox"/>	<input type="checkbox"/>
5. If you claimed a child as a dependent in a prior year, did the IRS deny the child as a dependent or limit the amount of a tax credit you claimed?	<input type="checkbox"/>	<input type="checkbox"/>
6. Could another person qualify to claim your child as their dependent?	<input type="checkbox"/>	<input type="checkbox"/>
7. If the answer to question #6 is YES, please provide details.		
8. Did you give another custodian parent the right to claim any of your children?	<input type="checkbox"/>	<input type="checkbox"/>
9. If the answer to question #8 was YES, please complete IRS Form 8332 <a href="https://www.irs.gov/forms-pubs-search?search=8332">https://www.irs.gov/forms-pubs-search?search=8332</a>

**Foreign Account Tax Compliance Act (FATCA)**

**NOTE: ALL CLIENTS MUST COMPLETE AND RETURN THIS PAGE TO US**

**Be sure to respond to all three questions.**

**Read all of the information on this page carefully to avoid foreign account non-compliance and the imposition of IRS draconian penalties.** With the globalization of the economy, more and more people in the U.S. have foreign financial accounts. While there are many legitimate reasons to own foreign financial accounts, there are also responsibilities that go along with owning such accounts. Foreign account owners must remember that they may have to report their accounts to the government, even if the accounts do not generate any taxable income. This reporting requirement may also include foreign retirement plans.

**QUESTION #1:**

**Foreign Accounts:** Did you, any entity that you have an ownership interest in, or any person in your household have a financial interest in, signature authority, or other authority over one or more foreign accounts (does not include U.S. mutual funds that have foreign investments) in a foreign country, **AND** did the aggregate value of all such foreign accounts exceed \$10,000 US at any time during the 2024 calendar year?

Your response:                      **YES**    **NO**

**QUESTION #2:** If you responded “yes” to Question #1, please check the appropriate box below. Taxpayers who responded “yes” to Question #1 are required to electronically file FinCEN form 114 on or before April 15, 2024 with the U.S. Department of Treasury.

\_\_\_\_\_ Although I/we answered “yes” to Question #1, I/we will self-prepare the FinCEN 114 or have another person prepare this return on my/our behalf.

\_\_\_\_\_ I/We answered “yes” to Question #1, and are requesting that Keystone Financial Solutions(KFS) prepare the FinCEN 114 form for us. We acknowledge that there will be a separate fee for preparing this form and that additional information will be needed from me/us to prepare this return and that such information must be received by KFS no later than March 31, 2024.

- You are an individual or entity with ownership of foreign financial assets and meet the specified criteria (Form 8938);
- You are an officer, director or shareholder with respect to certain foreign corporations (Form 5471);
- You are a foreign-owned U.S. corporation or foreign corporation engaged in a U.S. trade or business (Form 5472);

- You are a U.S. person with an interest in a foreign trust (Forms 3520 and 3520-A); or
- You are a U.S. person with interests in a foreign partnership (Form 8865).

**QUESTION #3:** Do you fall into one of the categories listed above?

Your response:                      **YES**    **NO**

If you responded “yes” to Question #3, please contact our office immediately as the filing of your Form 1040 may be required to include IRS Form 8938 which is due April 15, 2024.

**PLEASE NOTE:** If you do not return this to us or notify us in writing via a separate email or letter that you have a foreign reporting requirement, **we will presume that you do not have any such reporting requirement.** If you are not sure if you have a foreign reporting requirement, you need to immediately contact us for guidance.

## Vehicle Worksheet

If you incurred automobile expenses related to rental properties or are self-employed, please complete this worksheet

**Note: The IRS requires that any taxpayer claiming vehicle expenses maintain a contemporaneous written log book. "Contemporaneous" means in "close" proximity to the date of activity. The logbook must show the odometer reading as of January 1 and December 31 of the tax year, dates of business travel, the trip mileage, location driven, and the business purpose of each trip. If a taxpayer fails to maintain this written logbook, the IRS and courts have ruled that the taxpayer is NOT allowed to claim a vehicle expense.**

Did you know that you may be able to get a history of your vehicle's service records and mileage from CarFAX?

Did you maintain a written contemporaneous mileage log book showing the required IRS substantiation? If you checked NO, you are not entitled to a vehicle tax deduction. Thus, there is no need to complete the requested information below.

## Unreimbursed Employee Expenses

**Note: The IRS no longer allows taxpayers to claim unreimbursed employee expenses as a tax deduction.**

**Note: PA does allow such deductions, but its rules are quite restrictive. If you wish to claim these expenses on your PA-40 tax return, we recommend that you first read the following:**

- 1 PA Department of Revenue guidelines <https://www.revenue.pa.gov/GeneralTaxInformation/Tax%20Types%20and%20Information/PIT/UnreimbursedE>
- 2 Our blog postings dated February 20, 2018 <https://keysolutions.us/blog/pa-publishes-sch-ue-tips-for-taxpayers/#more-2504>

**Note: When considering whether to claim this expense on your PA individual tax return, keep in mind that your tax savings are limited to 3.07% for PA and 1% for most local tax jurisdictions. For example, if you have \$1,000 of these expenses, your tax savings will approximate \$40. We mention this because after tax preparation fees, is it worth your time and effort to complete this form and possible time and expense related to the PA Dept. of Revenue sending you and audit inquiry?**

**If you wish to deduct unreimbursed employee expenses, please complete the following:**

1 Describe your occupation in which you incurred these expenses:		
2 Name of W-2 employer for which you incurred these expenses:		
	<b>Yes</b>	<b>No</b>
3 Do you have a letter from your employer stating that the expenditures being claimed by you were necessary and not reimbursed by the employer?		
4 If you are unable to obtain a letter from your employer, do you have both of the following documents: 1. A signed affidavit (PA Rev-775) and copy of your employer's expense reimbursement Policy?		

**List below the expenses incurred by you, which were required by your employer, and not reimbursed by your employer:**
